Automatic Provision & Activation (PAC) is a key part of 'Plug & Go', making the ePhone easy to install for both Users & Operators.

Built-In UK regular Telephone Number makes ePhone ideal as a 2nd line.

Can be used in the home or business, or even a holiday home.

The number always stays with the phone and can be used anywhere in the world.

User Requires Just 2 Things:

- Broadband / ADSL internet access
- Router - wired or wireless
